

DISCOVERING THE COURAGEOUS LEADER IN YOU

HOW YOU WILL BENEFIT:

Leaders of all levels will want to take ownership of their career, team, and organization after discovering what it takes to be a courageous leader.

This 1.5 hour seminar will provide attendees with at least one thing they can immediately implement and will change their leadership behavior forever.

- This interactive session will enable leaders of all levels to understand what it takes to be a courageous leader.
- An easy to follow and repeatable framework of actions that other courageous leaders follow will be provided.
- Participants will see demonstrations and examples of why their vision, mission, and goals are crucial to their success.
- Leaders will understand how courageous leaders have passion, accountability and persistence to succeed.
- A “Brown Paper Plan” will be completed with the participants where they select an issue to change or enhance and identify tasks and completion dates to make it happen.
- The program ends with a homework assignment. Participants identify one thing they can change immediately in their workplace to make them more courageous.

Everyone builds their skills to lead with courage!
